Austrian notaries who were the founders of the European Championship, are not only excellent professionals but also brilliant football players. They could be regarded as the best example for their national football team. As many as 7 times they were the best players of the European Championship. For the first time they triumphed in the first tournament in Lindabrunn in 1986. Later they were the champions in 2001–2004 and 2006–2007. Perhaps this year in Cracow they are going to score their 8th victory.

BELGIAN Team

Jérôme Otte (team captain), Olivier Brouwers, François Catinus, Federic Convent, Jan Coppens, Michel Cornelis, Olivier de Ruyver, Benoît de Smet, Stijn Geudens, Frédérique Hoogsteyn, Benoît Lambeau, Benoît Mussche, Benoît Odin, Dominique Roulez, Guillaume Schellaert, Yves Somville, Maarten Urkens, Frederic Vlaeminck.

Their adventure with the European Championship Belgian notaries started in 1988 in Augsburg – then they were the third. 3 years later in Brussels they were already celebrating the first victory. The next time they won in Marbella in 2005. But it should be mentioned that twice they were very close to be the winners – in 1998 in Prague that team was just after Italian notaries and in 1999 in Antwerp only Spanish were better.

CZECH Team

Zdeněk Ryšánek (team captain), Tomáš Bacílek, Richard Brázda, Michal Čada, Radim Duda, Svatomír Helešic, Ivan Houdek, Stanislav Hroch, Ivan Kočer, Marek Konečný, Ondřej Krejčovský, Vladimír Macko, Vratislav Makovec, Erik Mrzena, Ivo Pařík, Jiří Rohan, Petr Šedivý, Pavel Škúrek, Jan Šmidrkal, Michal Špaček, Marek Szabo, Jan Svoboda, Štěpán Tichý, Stanislav Trčka, Václav Voda, Petr Žák, Jan Zdobinský.

Czech notaries were the second in the championship organized in Marbella in 2005 (the winner was Belgian team). That was their most successful participation in the 19-year history of the European Championship. Last year our south neighbours were on the lowest place of the podium, better were only Italian Team (1st place) and Spanish team (2nd place). Czech notaries say that this year they are going to score even better results.

SPANISH Team

Chimo Calvo (team captain), Salva Alborch, Edu Amat, Rafa Bescansa, Javier Civetti, Jaime Cuesta, Alvaro Delgado, Manuel Dominguez, Diego Dueñas, Pablo Duran, Tomas Feliu, David Fiol, Mikel Martinez, Miguel Mestanza, Quique Milara, Jose Mari Quesada, Javier Pira, Pepe Rivas, Miguel Roca, Enrique Ruiz, Eusebio Ruiz, Alex Toro, Juande Valenzuela, Miguel Viela, Jose Vte Torres, Diego Zozaya.

Vienna, Rimini and Antwerp – those are the cities which are the best associated by the Spanish notaries. Since exactly there they won in 1993, 1994 and 1999. They also were the second in Veronela in 2010 and in Nuremberg in 2011, and bronze medals were won in Seville in 1990 and in Palm in 1997. During two last championships they were beaten only by Italian colleagues. That is why in Cracow this team is considered to be the favourite to win the championship.

A year later – in Verona – they didn't give any chances to rivals. As many as 9 times they were on the top place of the podium including two last years. (They were the second for 7 times and twice they were on the lowest place of the podium). That is why it is not surprising that they are said to be ones of the favourites on the Stadium of Hutnik.

POLISH Team

Polish notaries joined that elite group in 2009. They won the eighth place in Graz that year. A year later they didn't go to Veronello but couldn't miss the European Championship in 2011. In Nuremberg they were on the eighth place again. – We'll be fighting like lions on the Hutnik football pitch and we expect to score a better place this year – mentions Czesław Szynalik, the captain of Polish notary football team. – Cracow is going to be the fifth sports arena during this European Championship – he adds smiling.

THE ISLAND BESKIDS

Royal City of Cracow

↑ The Island Beskids is one of the most beautiful mountain ranges in Poland in addition with still a lot of secrets and mysteries. Mysterious is its name for the beginning. Why is it called the island? It is quite easy to answer that question at the crack of dawn when the mist is spanning over the valleys. And then lonely, lovely islands are looming out of it. The queen of them is Mogielica. Other major peaks include Luboń Wielki, Ćwilin, Jasień, Śnieżnica, Księża Góra, Szczebel, Łopień, Kostrza, Sałas, Lubogoszcz and Potaczkowa. Besides wonderful microclimate, springs of refreshing water, picturesque forests and very rich history. Mszana Dolna, the capital of the Island Beskids, is well-known to the notaries from all over Europe, as for the 11 years the Notary Olympics has been organized in this town.

Cracow is not just one of the oldest but also one of the most beautiful cities in Poland. The other days Cracow was a residence of princes, kings and a state capital. Today this is a charming city with wonderful monuments and a magic atmosphere. When you come to Cracow you fell in love with it for sure. The first place where people have settled in was the defensive Wawel, where now erects a castle (on the picture). The first reference about Cracow stems from the X age. On June 5th, 1257 prince Bolesław V Bashful classified the city a document. In the cathedral overlooked on the Wawel hill in 1320 took place coronation of Władysław Łokietek. In 1978 the Old City has been inscribed on the I List of Cultural and Natural Heritage UNESCO. – This is a city of my life – that was about the City of Cracow said Jan Paweł II, pope. Tourists, crowned heads, presidents, prime ministers still gladly come to Cracow although Cracow is not the capital of Poland. The city will turn into a Capital of the European Notariat for four days in May.
